## **Termination of Burning Suspension**

Due to increased relative humidity, higher fuel moisture, and a general improvement in predicted fire weather conditions, the proclamation by CAL FIRE suspending burning under permit and other uses of open fire; pursuant to the provisions of section 4423.1 of the Public Resources Code has been terminated effective 8:00 A.M., on Thursday, September 18, 2008 for the counties of San Luis Obispo, Ventura and San Diego.

Dooryard burning is still not permitted until the close of fire season. Agricultural burning, with a valid burning permit, is now permitted.
