## **CAL FIRE/SLO County Fire and Cuesta College Enrollment/Registration Information, FALL 2009**

Changes, changes..... We are now offering our classes through Cuesta College. Previously, the college registration process was accomplished on the first day of class. It will now be done electronically, and each student will be responsible for his or her own registration, as well as the fees involved for college units. We all know that change is difficult, so in order to make the transition as simple as possible, please utilize the following information.

**FIRST – You must create a student account with Cuesta College.** This 9 digit number will be used on all CAL FIRE/SLO County Fire registrations. You registrations will not be valid without this number.

- Apply to Cuesta College online at <http://www.cccapply.org/applications/CCCApply/apply/CuestaCollege.html> or in person at Admission and Records, located at the San Luis Obispo campus, 805-546-3955, or at the North County Campus, Admissions and Records, Student Services, 2800 Buena Vista Drive, Paso Robles, 805-591-6210
- It will take about 48 hours for your application to be processed, and you will *not* be able to access your student account until your application has been approved.

**SECOND – You must register for the desired class with CAL FIRE/SLO County Fire Training.**

- Registration with CAL FIRE/SLO County will not change, except for the necessity of adding the 9 digit student number that you've received from Cuesta College.
- Mail, or deliver, your completed registration, with a check for your class fees (made out to SLO County Fire), to the Training office. The Training Office will then notify Cuesta College that we have received your valid registration.

**THIRD – you must pay Cuesta College for your unit fees.**

- Login to myCuesta by going to <http://my.cuesta.edu>. Enter your user name and password in the appropriate fields. **NOTE: The password you create is case-sensitive.**
